The Minden Curling Club was host to three days of intense competition on January 6, 7 and 8 when it hosted the Ontario Curling Association Men's Provincial Tankard Zone Playdowns. The two Minden teams competing in the event played well, but not well enough to advance to the regional competition in Kingston. Two Peterborough rinks succeeded in winning in Minden and were to have represented and were to have represented the zone this past weekend in Kingston.

CHANGE brings recycling to Highlands

Within two days Haliburton County residents will have a convenient way of recycling old cans, newspapers and glass and plastic bottles.

The County of Haliburton Association for a Naturally Good Environment (CHANGE) has arranged for a huge four-compartment bin to be placed at the Haliburton landfill site, where recyclable materials can be deposited. Bess Zwecher, one of the core group of CHANGE, said Don Coates of Muskoka Containerized Services

donated the bin to the county for the next six months. It will be arriving this Wednesday and there will be a bit of a ceremony at the site at 1 p.m.

Because Haliburton County Council is now entering into a three-year waste management study, it is unlikely that local municipalities will be initiating recycling programs in the near future. With this in mind, CHANGE members decided to see what they could do to make recycling more convenient.

Many cottagers pack up

their recyclable wastes and bring them home to be recycled. Zwecher says there are many who wish to recycle and the arrival of this bin will make it possible.

While the bin itself is being provided rent free, there will be a cost to have it taken over to Bracebridge to be emptied. Each trip will cost about \$120 which is being raised through donations from individuals.

The key to making this temporary program a success is by using the bins properly. There are four compartments to the bin. One is for tin and aluminum cans, which should be crushed to conserve space in the compartment. Another is for newspapers, which should be bundled to avoid them blowing out and making a mess of the entire area. The third compartment will be for the large plastic pop bottles, which should also be crushed to save space.

The final compartment is for glass bottles and jars. The lids should be removed from these and they should be rinsed out.

The container will be open to everyone in the county during the hours that the dump site is open. The Haliburton dump is located just off Highway 121.

Minden vying for a bin

The news that a recycling bin is being placed at the Haliburton landfill site has spurred Anson, Hindon and Minden Townships Council to try and find out if a second bin could be placed at one of the Minden landfill sites.

At last Thursday's council meeting, Deputy Reeve Bern Berry said it would be more convenient to residents of this side of the county is another bin could be placed at the Scotch Line Landfill site. He suggested that council contact representatives of the County of Haliburton Association for a Naturally Good Environment (CHANGE) to find out if this would be possible.

The bin that is being placed in Haliburton was arranged for by CHANGE and will be available to all residents of the county who are interested in recycling their garbage. The four-compartment bin is to arrive this Wednesday and has been donated by Muskoka Containerized Services.

Weather claims fifth Minden Derby

The fifth running of the Minden Martin Sled Dog Derby has fallen victim to the weather. The race organizing committee announced the cancellation Wednesday afternoon after carefully examining the trail.

Steve Lougheed, Trail Boss for the derby, and his wife Val, who is the Race Governor, decided to close down the derby because of the treacherous conditions on the trail. "It is virtually solid ice from one end of the trail to the other,"

Trail is 'solid ice' from start to finish

Steve Lougheed said Wednesday afternoon after a final inspection of the four and eight mile trails. He said running a race under these conditions would pose too great a risk to dogs and drivers.

"We have an obligation to the safety of the animals and the drivers," Val Lougheed commented. She pointed out that the Minden derby had, over the past four years, earned

a reputation for the quality of the race and course. "We didn't want to jeopardize the integrity we have built up over those four years," she said.

Both Val and Steve are participants in sled dog racing and after examining the trails on Wednesday, agreed they would not run their own teams under the conditions which prevailed on the trails and therefore could not, in good con-

science, ask others to risk their dogs on the course.

The decision to cancel the race Wednesday seemed to be underlined by Mother Nature on Thursday when mild temperatures brought rain and more melting of what little snow there was along the trail. The conditions confirmed what the committee had done the day before.

In four years, the Minden Sled Dog Derby

has grown into a major winter tourism attraction. Racers come from throughout North America to take part in the race. This year's purse of \$20,000 provided by Martin Pet Foods of Elmira had attracted an even higher calibre of participants. The event has gained a reputation in the racing community for the excellent organization, challenging trails, and the

excitement that comes with a main street start and finish. For most of the spectators, the spectacle of the excited dogs being led to the starting line is a popular one. The colour and noise of the sled dog derby has attracted increased attention each year.

According to Val Lougheed, the organizing committee laboured long and hard over the decision to cancel the race. "We

around the county town

by Jeanne Sears. Call 286-1538.

At the Euchre Games on January 10th at Lochlin Centre, winners were Joyce Schellenberg, Audrey Vick, Bruce O'Brien and Earl Schellenberg with Mervin Gilbert taking most lone hand prize. Next games there are

January 24th.

Some folks that I heard about on the sick list are Gladys Dugan(RMH), Maron Rose and George Davidson.

Good birthday wishes to

these people - Irene Stamp January 15, Clara Francis January 22, Elsa Seuret and Wayne Cox on January 31st, at Hyland Crest Royce Harrison on January 30th.

Maud Coulter was away enjoying visits with the Ray Rivers family in Toronto (many hockey games, too) and also with Bernice Milligan and relatives at Newtonville.

I'm one of the few That's not so very new, Who go downtown Tho' often wind-blown. The rules are there for all to see With signs posted for you and me; No bikes, no snowmobiles there But both go along everywhere. For us who enjoy a daily walk The slippery sidewalks make me balk But then the sun comes out bright And makes the footing just right.

For when the snow melts away Those machines must find another way.

Jay

Sincere sympathy goes to the families and friends of the late Mrs. Gordon (Gertie) Myles, Elmer Sawyer, John Engel (G. Monk's foster-father) and Mrs. Gordon Brown whose funerals were since last week.

Alice Morrison is home again after visiting with Lynn and Craig Morrison and Jordan in Toronto and then with Glenda and Myles Morrison and Brent at Brantford.

We are disappointed that the Sled Dog races had to be cancelled but we will have to wait for next year. The posters in the store windows were

colourful and showed the talents of our students at the local public school.

Hopefully the weather will become more wintery as the stock car racing is scheduled to start January 21st, but they need snow to bank the tracks. What a queer winter, last year was more to my liking, in spite of the shovelling.

One again the Kinsman Winter carnival is slated for the weekend of January 28th. We still wonder about conditions for that. Then February 7 plan to get to St. Paul's pancake supper at their hall from 5-7.

If you are worried I can give You sympathy - and add That I myself have troubles known, And often have been sad.

Yet I would have you bear in mind That, on the whole, life has been kind.

Anon

Club 35 winners for last week's euchre game were - door - Edith Russell, most lone hands - George Alsop, high lady - Betty Skinner, high man - Murray Daniels and others - Ellen Klok, Garth Windsor and Jim Irwin.

The library committee will meet in the library on Tuesday, January 24 at 7:30 p.m.

St. Paul's card party winners for this week include - high lady - Verna McDonald, high man - Orval Francis, low lady - Lorna Bridgeman, low man - Jeanne Sears and most lone hands - Willard Bridgeman.

Thank You Minden Thank You Martin's

On behalf of the Martin's Minden Sled Dog Derby Committee I would like to extend our sincere thanks for all of your hard work, your support and your enthusiasm in preparing for this year's sled dog race.

We share with you in the deep sense of disappointment, both in terms of the many hours spent working on projects related to the race, and the impact on the local economy. As a committee, we have personally put in an entire year's worth of meetings and work into this race, and it was an extremely difficult decision to cancel the event.

However, due to the extremely icy conditions combined with a significant lack of snow, the race trail this year is extremely dangerous, and we would be risking the safety of both the mushers and the dogs if we were to go ahead as planned.

Beyond this, we would also be risking the reputation that Minden presently enjoys as the premiere limited class race in the world. If this were to happen, we would likely see the end of this event. As per I.S.D.R.A. rules, we had to make this decision 48 hours in advance, for the benefit of those coming from afar.

This year we have witnessed a coming together in this community unmatched so far. As a collective, we have produced a book, made a trail, written articles, planned a race and even recorded a song. I know that it takes a lot of courage to have to let go of all of that in the face of mother nature, but I also know that Minden and Martin's have the courage and the integrity to follow through with this decision. In the final analysis, the safety of people and the dogs is paramount.

STAND TALL MINDEN. WE'RE ON DECK FOR 1990!

SPECIAL THANKS TO OUR SPONSORS.....

- Race Sponsor **MARTIN FEED MILLS** of Elmira, Ontario, for providing the \$20,000 purse (double last year's) and additional funds for administrative expenses.

- **THE MINISTRY OF TOURISM AND RECREATION** in providing a Destinations East grant.

- **LABATT'S BREWERIES** in providing its Special Events Van for the weekend as well as product for mushers during Friday night's Bib Draw.

- **SAINSBURY WINES & SPIRITS** in providing a bottle of Charles Heidsieck Champagne for each of the top three winners in both the eight-dog and four-dog classes.

- **THE MUNICIPALITY OF ANSON, HINDON AND MINDEN** for a grant of \$990 and assistance from the Roads Department.

- **BRYAN AND JUDY PEARCE** of Akinan Kennels for donating a trophy for the Best Lead Dog.

- **THE TIMES** newspaper staff which contribute their time and talents toward the creation of the official program.

- **THE LIONS CLUB OF MINDEN** which sells advertising for the official program as a fund-raising venture, and distribute the program.

- **THIRTEEN LOCAL BUSINESSES** who donated prizes for a draw.

- **CAMPING IN STYLE TRAILER SALES**, Norland, for the use of a trailer for the media.

- **DON CROWE** in donating his Winnebago for the public address van.

- **JIM KEETCH** for donating his Winnebago as a VIP trailer.

- **THE GIRL GUIDES** for day care for the children of mushers and volunteers.

- **THE CURLING CLUB** for serving chili all day Saturday and putting on a Mushers' Ball on Saturday night, both at the Curling Club beside the Minden Arena.

- **THE CGIT** for serving chili at the United Church all day Saturday.

- **THE ROCKCLIFFE SNACK BAR** in donating \$200 worth of pizza for the post-race party for volunteers and race organisers.

- **BART HILHORST AND HIS BAND** who have written a song and donated their talents to entertain at the volunteer party.

- The local detachment of the **ONTARIO PROVINCIAL POLICE** for providing pre-race traffic-control instruction to volunteers and regular checks of locations where the race course crosses the road.

- **THE HALIBURTON COUNTY SNOWMOBILE ASSOCIATION** in providing equipment and assistance in grooming the trail.

- **THE MINDEN HAM RADIO CLUB** in providing a communication link between the trail and the Start/Finish line.

- Over **50 VOLUNTEERS** from Minden and the surrounding area who offered to donate their time and energy for two days, without whom the Minden Sled Dog Derby would not be possible.

Recycling

The initiative taken by a small group of Haliburton County residents to set up a recycling program here is an encouraging sign that a permanent program may be feasible for the Highlands in the future.

Thanks to the efforts of the County of Haliburton Association for a Naturally Good Environment (CHANGE), recycling some of the waste generated every day in the county will be possible. For a one-year period they have made it reasonably convenient for us to have our recyclable wastes transported to Bracebridge.

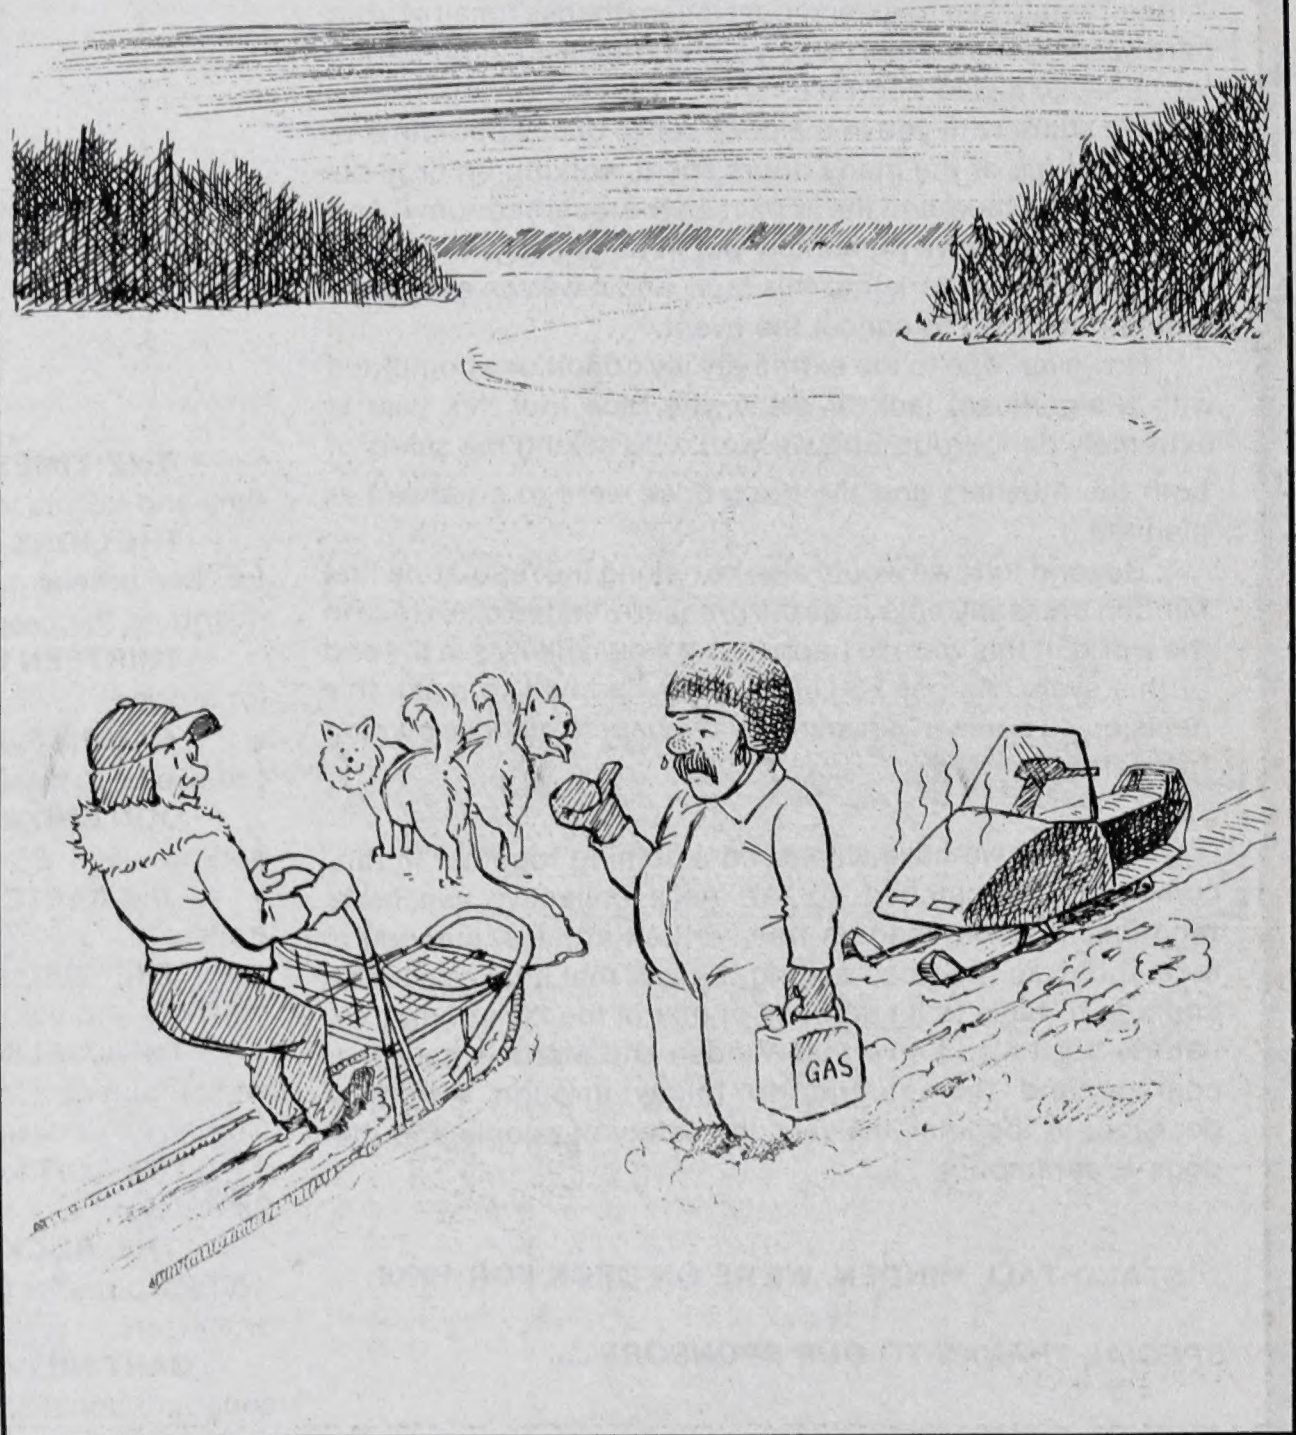

It is clear that this is only a temporary situation. However, it does provide County Council and municipal councils with time to set up something more permanent.

Recycling makes good environmental and economic sense, especially in this county where we rely heavily on the availability of clean air and water to attract tourists. We encourage everyone to bring their bottles, cans and newspapers to the bin at the Haliburton Landfill Site instead of having them use up valuable space in the dumps.

Lost service

The Ministry of Transportation's withdrawal of its driver examination service in Minden is something that should not be taken lightly by anyone who lives in Haliburton County. It is a step backward in terms of service to residents of Minden area and could be an indication of more reductions in service throughout the county.

Although we live in a relatively small county, services such as those now being denied Minden residents are very important. Let's hope our local elected representatives can convince MPP John Eakins of the importance of restoring the driver examination centre to Minden. We deserve the same access to this service as any other resident of Ontario.

Statistics reveal all

Sir, there are three kinds of lies: lies, damned lies, and statistics.

Benjamin Disraeli

Ah yes, it's many a flagon of snake oil that's been sold with the help of those slippery numbers known as statistics. We live, after all in a country that now declares itself solidly in favour of Free Trade - even though only 43 per cent of the electorate voted for the party pushing it.

But that's just one statistic. No doubt the prime minister has entire platoons of statisticians standing by eager and able to prove that by factoring in variables such as barometric pressure, seasonal fluctuations and the price of a case of 24 in Oshawa, it can be shown that a majority of right-handed westerners and red-headed Maritimers actually voted heavily in favour of changing the national anthem to Yankee

black 'n white

by Arthur Black

Doodle.

That's the thing about statistics. They say anything you want if you mangle them enough. Statistics show that Lake Erie is only three feet deep on average, but only a fool or Vicki Keith would try to wade from Fort Erie to Buffalo.

I'm sure that Ottawa must maintain an entire secret subdivision reserved just for statisticians and their families (3.2 children each). How else to explain the blizzard of statistics that falls on our heads week in

and week out?

Vital stuff, too - all those little 'fillers' the newspapers use to separate the obituaries from the snow tire ads. "In the rutting season, wild jaguars mate between 36 and 45 times a day". Well, I want to know who counted. Exactly who was it who tiptoed around behind those jaguars with a stopwatch and a clipboard?

And does his mother know what he does for a living?

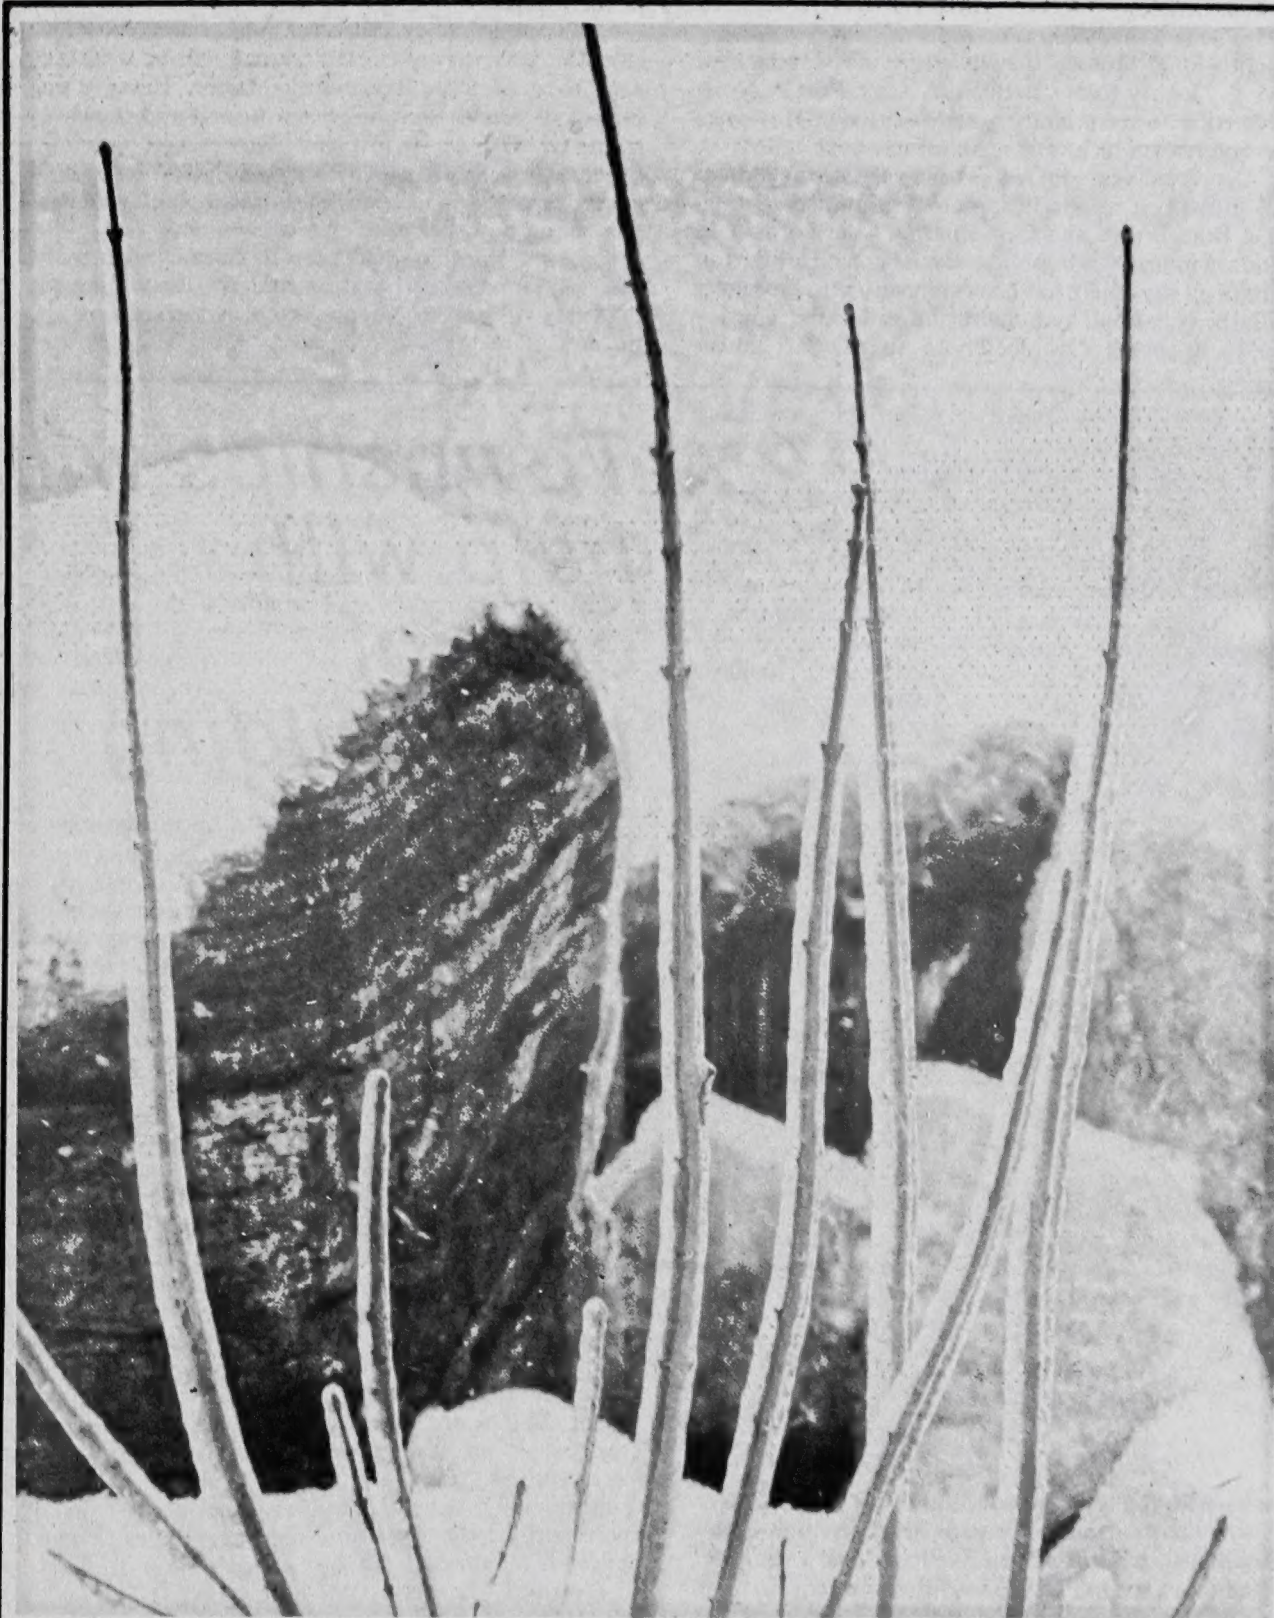

Yup, playing statistics is a mug's game alright, but having said that, I have to admit that I love the statistics published in this month's edition of Family Circle magazine.

Ice jackets

Dorset acid rain report

The following report on precipitation events was recorded at the Ministry of Environment acid rain testing station in Dorset and compiled by Environment Canada.

The following report covers the period of December 19 to January 7.

December 19 - 1 mm mixed rain and snow, pH 4.1, from Kentucky, Indiana, Ohio and southern Ontario.

December 20 - 6 mm mixed rain and snow, pH 4.3, from Kentucky, Indiana, Ohio and south-

ern Ontario.

December 22 - 6 mm mixed rain and snow, 4.6 pH, from Ohio, Pennsylvania and southern Ontario.

December 23 - 5 cm snow, 4.6 pH, from Ohio, Pennsylvania and southern Ontario.

December 24 - 4 cm snow, pH 4.7, from Wisconsin, Michigan and southern Ontario.

December 25 - 1 cm snow, pH 4.9, from Wisconsin and Lake Huron.

December 26 - 2 cm

snow, pH 5.4, from Lake Huron and southern Ontario.

December 27 - 20 cm snow, pH 4.6, from Pennsylvania, New York and southern Ontario.

December 30 - 2 cm snow, pH 4.1, from Michigan and southern Ontario.

January 1 - 4 cm snow, 4.3 pH, from Michigan and southern Ontario.

January 2 - 1 cm snow, 4.4 pH, from Michigan and southern Ontario.

December 7 - 22 mm rain, 4.2 pH, from West Virginia, Ohio, Pennsyl-

vania and southern Ontario.

Environmental damage is usually observed in sensitive areas regularly

receiving precipitation with pH less than 4.7.

Reading of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Veterans program to be expanded

by Bill Scott, M.P.

The Veterans Independence Program will be expanded to include our Canada Service Veterans on April 1, 1989.

Veterans Affairs has continued to receive a considerable number of inquiries from veterans who potentially may now become eligible for benefits under this Program. Because of this, the Department of Veterans Affairs will begin processing applications in January for April 1, 1989 implementation.

When a veteran meets the eligibility criteria and applies for benefits under the Veterans Independence Program, a counsellor must complete a comprehensive assessment of the veteran's health and socio-

economic needs. To do this in greater quantity, counsellors will have to spend more of their time making home visits.

A veteran may contact the Department by phone. If an individual has a question regarding War Veterans Allowance, Treatment Allowance from his Greenshield Card, or Canada Service Veteran Eligibility for Veterans Independence Program, they may call the Department of Veterans Affairs toll free at 1-800-387-0919. A Royal Canadian Legion Service Officer may call the Department's Peterborough Office collect at (705) 748-6381 regarding all other matters.

Health & Welfare Minister Jake Epp and

(more on page 26)

Arthur Black

(from page 4)

The magazine siced its in-house statistician on what I call the humdrummities of life - all those little mindless things we all have to do every day, like well, bathroom duty, for instance. How much time do you spend in the bathroom every day? Twenty minutes? An hour? More?

Ever wondered how much time you'll spend in the bathroom over a *lifetime*?

According to the Family Circle statistician, seven years.

The magazine says North Americans spend another six years eating and drinking - which isn't bad - at least eating and drinking are fun. But look at this: time spent by a typical North American homemaker doing housework: four years.

Four years! One thousand, four hundred and sixty days of folding sheets, scraping egg off the frying pan and hunting down dust balls under the guest bed? That's a life sentence!

As a matter of fact, the more I read of this Family Circle statistical roundup, the more I feel like a con serving time in the Big House. Want to know how much of our lives get dribbled away performing other less-than-electrifying pastimes?

Opening junk mail: six months.

Waiting at stoplights: five months.

Standing in line: five years.

You depressed about all this? Don't be. Don't forget it was put together by statisticians, the twentieth century's answer to voodoo witch doctors, crystal ball gazers and the guys who used to interpret chicken guts for Roman emperors. Ask another statistician and you'd get a whole different story.

Which leads me to my all-time favourite statistic: If all the statisticians in the world were laid end to end...

They still wouldn't reach a satisfactory conclusion.

Minden lacks industrial properties

Anson, Hindon and Minden Townships could lose out on potential industrial development because of its lack of lands zoned for this purpose.

Industrial growth is taking off in municipalities surrounding Haliburton County and Andy Campbell from the Haliburton County Development Corporation is confident the Highlands will soon share in that progress. However, if there is no land zoned for industrial use readily available, investors may look elsewhere.

Campbell was addressing Minden Council last Thursday to bring the new members up to date on the development corporation's activities. He also noted that the amount of available industrial land is

shrinking while he is receiving more and more inquiries about starting up small manufacturing outlets here.

The fact that there is no industrial land in Anson, Hindon and Minden Townships is not for lack of trying, Deputy Reeve Bern Berry says. Past councils have tried to have lands zoned industrial. However, for one reason or another, all efforts have failed.

In recent years there has been very strong industrial growth in neighbouring communities of Huntsville, Bracebridge and Gravenhurst. South of here in Lindsay industry is booming. Even here in Haliburton Campbell says there has been some growth, especially with the very small manufacturing outlets that employ five to 10 people. Campbell notes that Dysart Town-

ship's industrial park is proving to be a success and he is confident that municipality will create another park in the future.

Having property zoned for industrial purposes is something the newly-elected council will be working very hard at, says Reeve Ray Moore. He says an industrial commission has been formed and they are trying to catch up on lost time. However, it is a slow process, he said. It was also noted that Minden has excess capacity on its sewage treatment plant, which is something no other municipalities enjoy.

Council promised to keep in close contact with the development corporation and will be willing to provide assistance to anyone interested in starting up business here.

Even the snow ploughs and sanders were running into difficulty with the icy road conditions last week. There was an estimated \$9,000 damage to one of Minden's trucks when it went out of control while attempting to plough and sand a steep hill last Tuesday. The hill on Ball Road, just off Horseshoe Lake Road had a smooth layer of ice beneath a light dusting of snow. The truck just glided down the hill and rolled into the ditch. No one was hurt in the mishap.

Townships will help with cost of trail building

Keeping pace with the contributions from other municipalities, Anson, Hindon and Minden will be making a \$2,000 donation toward the cost of constructing snowmobile trails.

The Haliburton County Snowmobile Association had asked for a contribution a few months ago since both Dysart and Stanhope Townships have made donations of one kind or another to the construction of new trails. HCSA member Tom Prentice explained to Minden Council last Thursday that the club has spent \$2,000 in Minden this year in the construction of trails along roadsides. These new trails will help get the snowmobiles off the roads, he said.

Council lauded the

HCSA for the work it does in building trails and in drawing visitors to the county during the winter months. However, Prentice was also asked to respond to a concern that had been relayed to Councillor Mike Maher from a resident.

The new trails are on municipal road allowance, but they cross over some driveways. This has caused at least one person to complain that a dangerous situation has been created.

Prentice told council that special crossing signs will be posted at these locations to warn snowmobilers to slow right down. He said the only reason that they are not already in place is because there is not enough snow to even use the trails yet.

Ministry withdraws service

With little notice and no fanfare, the Ministry of Transportation quietly pulled its driver examination centre out of Minden last November.

However, the ministry has not heard the last word on this. The Chamber of Commerce, County Council and Minden Council are all taking up the fight to have this important service restored to the area.

"Once you lose something it is very hard to get it back," Anson, Hindon and Minden Deputy Reeve Bern Berry commented last Thursday. However, he and his colleagues on council feel this is something worth fighting for. They fear this may be just the first step by the ministry toward a complete withdrawal of this service from the county.

Until November a driver examination centre was set up one Thursday each month at the Minden Curling Club. Now, any-

The return of this service is worth fighting for, council believes.

one who needs to take the written tests or road tests for their driver's licence must make an appointment at the centre in Haliburton, which is set up every other Thursday.

A letter was sent to Victoria - Haliburton MPP John Eakins last October asking for his help. "We feel strongly that the services must not be curtailed," then-Reeve Sinc Nesbitt wrote. "On the contrary, services to Minden must be increased from one examination per month to two examinations per month."

The only response so far from Eakins is that he is reviewing the situation. At last Thursday's council

meeting it was decided that a "friendly reminder" should be sent to Eakins to make him aware that concern is growing as more and more people realise that the service is lost.

Councillor Mike Maher said he has been asked by a number of Minden residents to see what he can do to get this service back in the community. Now that the centre no longer comes to Minden, there is a backlog of appointments in Haliburton. Maher said the wait to get an appointment can now be up to three months.

The loss of this service creates a tremendous inconvenience to the many seniors who live in the

Minden area. The ministry requires everyone over 80 years of age to take a written and road test every year in order to keep their licence.

John Mateer from the Chamber of Commerce notes that most of these senior drivers never actually leave the streets of Minden. The closure of the Minden centre forces them to travel to Haliburton to renew their licences and requires that they take their road tests on roads that are unfamiliar to them.

Councillor Bob Sisson wondered if the withdrawal might have been ordered because the examination centre is at a separate location from the ministry's licence issuing office. Licences are issued from the chamber information centre on the highway and Sisson feels it might be worth while to add on to that building if this is what the Ministry wants.

is being considered and the ministry is first seeking comment on this proposal from municipal councils.

Councillor Bob Sisson also agrees with the proposal. As a hunter who owns property in the county, he said he objects to people coming up from Toronto for the day and shooting deer from the roadsides.

Ministry is correct to curb roadside hunting

The Ministry of Natural Resources is on the right track with its proposal to ban roadside hunting, Minden councillors feel.

"I shudder when I drive down a road and see hunters lining it," Deputy Reeve Bern Berry remarked during last Thursday's council meeting. He was commenting on a report from Bylaw Enforcement

Officer Brad Bradamore, who opposes the ministry proposal.

Berry, who admits he is not a hunter, believes the ministry is correct to try to stop deer hunters from stationing themselves along roadways.

Bradamore, who is an avid hunter, said he sees this as an example of government passing regulations to satisfy a few. He

said it will cause more people to get lost in the woods and could result in hunters accidentally shooting toward the roads.

The ministry has heard complaints from both motorists and landowners who would like to have roadside hunting banned. A ban on the possession of loaded firearms within 100 feet of the centre of a road

Novices open season with a win

On December 31, Minden Novice "C" hosted another six-member team, this time from Ops, with both sides playing hard. However, Minden emerged the victor thanks to the efforts of Gavin Gartshore for a 1-0 win.

On January 7 Minden met Manvers at home for their first game of the schedule, and the new year.

Manvers emerged on the ice, all 14 players, and the suspense began. Last year,

Manvers proved troublesome for Minden, and seemed to be their biggest opponent. However, this year, it started a bit different - this game belonged entirely to Minden.

B.J. Redner picked up a hat trick plus one, with an assist also. Persistence is paying off for Redner as he always seems to be in front for the pass and unhaltingly connects with the inside of the net. (I think steak

sauce would be tastier) Cameron Neville picked up two more goals and four assists, and Gavin Gartshore was in for three assists. Chuck Hopkins finished with one goal. Final score 7-0.

On January 8 we travelled to Manvers for a return match and the game proceeded much the same: Final score 8-0.

Scoring didn't open until the second period, when Redner slapped one

in unassisted.

His second goal was off the stick of Cameron Neville. Neville then slipped one in assisted by Gavin Gartshore, and Gartshore claimed one by himself. Chuck Hopkins took a hat trick with two unassisted goals and one off the stick of Mitch Johnson. A pass from Johnson to Hopkins, over to Shawn Casey, gave Casey the opening and he slipped one past the goalie

and inside the net.

Three more shutouts for Minden's Shane Flood. (Have to get a new song for that boy!)

The Minden team is doing well this year, and a lot of the effort is due to the often unrecognized defensive line. Defensemen Clay Davis, Wayne Kernohan, Chris Little and Steve Ecclestone put forth a very rewarding effort and any times the protection for their goalie would not be

there if these boys were not doing their jobs. Their performance is outstanding and effort unrelenting. Keep up the good work boys, you are one of the main parts that make up a good team.

Don't miss Minden's next game at home against Haliburton on January 19 at 7 p.m. It should be a good one.

Lois Lane, until next time...

Rockcliffe rallies back to life

They did what they had to do.

The Rockcliffe Tavern hockey team defeated Halls Insurance last Monday night to move back into a tie for first place in the Minden Men's Recreational Hockey standings. They ended their own three-game losing binge and put a stop to Halls' six-game winning streak.

With almost identical records, Halls and the Rockcliffe are sharing first place with three games left in the schedule. Over the next three weeks they will each play one game against The Times, Hartwick Construction and Vasey Real Estate.

In other games last Monday, Home held onto its third-place standing with a win over Vasey. The Times edged their way into fourth place by defeating Hartwick.

The Standings

	W	L	GF	GA	P
Rockcliffe	8	3	107	79	16
Halls	8	3	102	75	16
Home	6	5	70	75	12
Times	5	6	76	103	10
Hartwick	4	7	63	62	8
Vasey	2	9	58	83	4

Home 8, Vasey 4

A strong showing in the first period did not hold up for the rest of the game as Vasey dropped an 8 - 4 decision to Home in the opening game at the Minden Arena Monday.

Vasey scored three early goals and held a 3 - 1 lead at the end of the first period. However, Home pulled ahead 5 - 3 after two periods and continued to build on their lead in the final frame.

Gary Nelson was the top goal scorer for Home with

three. Cory Walker notched two goals while Dave Rogers, Mark Switalski and Yvon Gravel each added one.

Dennis McKee scored three of Vasey's goals and Ivan Ingram scored the fourth.

Times 6, Hartwick 4

Having the best defence in the league isn't enough if you can't score the goals to win the games.

With Kevin Smith manning the net, Hartwick

has allowed only 62 goals against this season. However, they have only scored 63 goals of their own, resulting in a lot of narrow losses.

This was the case again last Monday when they accepted a 6 - 4 defeat from The Times. It was a very close game from the first drop of the puck, but Hartwick could only manage to score four goals against The Times - the easiest team in the league to score on.

The Times' goal scoring was well spread out. Single goals were scored by Paul Walker, Ben Manuge, Greg Newell, Craig Crowe, Dave Pettes and Irwin Asbel.

Doug Ray scored another two goals for Hartwick while Sid McKiegan and Carl Northey added one each.

Rockcliffe 11, Halls 7

Scott Hamilton was unstoppable in the final game of the night, scoring five times for the Rockcliffe en route to the 11 - 7 win. The result of this game brings these teams into a tie for first place.

In addition to Hamilton's goals, Jim Crawford scored two for the Rockcliffe. Singles were scored by Dean Hewitt, Tom Haley, Scott Gartshore and Barry Boice.

Brian Shaw had a good game for Halls, scoring four of the seven goals. Others were notched by Bart Hilhorst, Tim Vezina and Larry Sawyer.

Tonight at the Minden arena Vasey meets the Rockcliffe at 7 p.m., Home and Hartwick play at 8:30 p.m. and at 10 p.m. The Times and Vasey face off.

Minden skaters tested in Fenelon Falls

On Thursday, December 15, five Minden skaters travelled to Fenelon Falls for a test day.

Kyla Grexton passed her Preliminary Figure, while Cori Barkwell passed her second Figure and Andrea

Pawluch passed her second figure and her Preliminary Free Skate.

In the Dance Tests Lisa Ranson passed her Fiesta and Kim Langille passed her Dutch.

Congratulations girls.

Our second Annual Meet to Skate Competition is coming up the first weekend in February.

Keep this weekend open and come out and watch some great skating.

NOTICE OF PUBLIC MEETING

PRIDE COMMUNITY IMPROVEMENT PLAN

The Council of the Townships of Anson, Hindon and Minden is in the process of developing a Community Improvement Plan for the hamlet of Minden, in order to qualify for funding under the Program for Renewal, Improvement, Development and Economic Revitalization (P.R.I.D.E.).

A public meeting will be held in the Municipal Council Chambers on

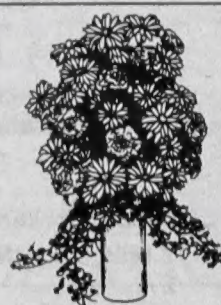

Tuesday, February 7, 1989, at 7:30 p.m.

Residents of the hamlet of Minden are encouraged to attend this meeting to review the proposed projects and to submit suggestions and comments.

Atoms win two close ones

by Corrine Howell

Dear fans. I have to make an apology for missing the report of the Atom's game against Fenelon Falls. It was a very tight game ending in a 1-1 draw.

On Saturday, December 7 the Atoms met with the Atom Haliburton team. This proved to be yet another excellent game. In the first period both teams tried hard to break

Minden Novice "C" Schedule

January 19	Haliburton at Minden	7:00 p.m.
January 21	Fenelon at Minden	11:00 a.m.
January 25	Minden at Haliburton	6:30 p.m.
January 29	Minden at Fenelon	5:30 p.m.
February 4	Minden at Ops	12:00 p.m.
February 5	Minden at Fenelon	5:30 p.m.
February 12	Minden at Haliburton	3:00 p.m.
February 18	Manvers at Minden	11:00 a.m.
Playoffs to follow		

through the other's defence but to no avail, thus making the first period goalless. Minden fought hard starting the second period

on the attack which led to a goal by Marty Dettman assisted by Tod Redgrave.

Haliburton managed to hold Minden back, keeping the second period to a 1-0 lead for Minden.

During the third period Minden scored a second goal when Tod Redgrave scored, assisted by Dave Raback.

The game was a credit to both teams as we had a penalty-free game. Well done boys.

Minden OPP notes

During the week of January 2 to 8 officers of the Minden OPP Detachment investigated 51 general occurrences and 10 vehicle accidents with three persons injured.

Theft charges

A young offender has been charged with two counts of Theft over \$1,000 and two counts of Break and Enter after investigations dating back to February 1988 have been concluded.

Property involved in the thefts was snow vehicles and ATCs. Provincial Constable Mark Davis is investigating.

Single vehicle accident

A single-vehicle accident on January 7 on the Ingoldsby Road north of

County Road 1 resulted in two persons being taken to Haliburton Hospital with injuries. The driver lost control on the snowy road and collided with a hydro pole. The injured persons were Joyce Archer of Scarborough and Cathy Graham of Pickering.

Lake accident

A collision between two pickup trucks and a snow vehicle on Big Glamour Lake has resulted in one injury and criminal charges.

Dennis Hunter of Gooderham and Paul Hunter of Pickering were driving pick up trucks on the lake side by side. Mike Fox of Whitby was operating a snow vehicle on the lake and collided with the two trucks. Fox

was taken to hospital by ambulance and has been charged with Careless Driving.

Dennis Hunter has been incharged with Impaired Driving and Driving with over the legal limit of 80 mgs.

Provincial Constable Mike Landry investigated.

Thefts around the county

A theft of building tools valued at \$6000 occurred at Kennis Lake in early January. Stolen were: 12 cans styrofoam Formet spray, 9" Black & Decker mitre saw, 8 1/4" Skil saw, Milwaukee sawall, 3/8" Skil cordless drill, Matebo 1/2" cordless drill, Walter hammer drill, 2" nail pouches, Stihl masonry saw, 4 Estwing hammers, wodden 4' level, 4'

aluminum level, trimming hatchet, Bosch jig saw, Bosch 5 8" drill, 100' extension cord, 2 Stanley hand planes, 2 - 3' wrecking bars, 2 nail pullers - one red, one blue, 2 Evan chalk lines, pick ax, snow shovel - red, 2 flat edge shovels with concrete on them, blue 20 lb. sledge, 2 - 4" Makita minigrind, 2 framing squares, 10" Skil saw, Sandvec handsaw, 10' step ladder, 20 ton jack - orange/red, 3 Marshal-town trowels, 12" bevel square with adjustable ruler, 2 Arrow staple guns, 5 pce Marpels chisel set 1/4 - 3/4", Makita orbital sander, 3" Makita sander, Little Kennis Lake - 200' of 2 x 6 boards, 7 sheets 4 x 8 x 3/4 plywood,

Red-hot line boosts Redmen to victory

The Nichols - Vuksic - Cooper connection was red hot again last Wednesday as the HHSS Redmen downed Fenelon Falls 9-6 in high school hockey action at the Dysart Arena.

Erin Nichols, John Vuksic and Jaro Cooper make up one of the most deadly scoring lines in the league. And during last Wednesday's game they scored eight of Haliburton's nine goals in this

moral victory over their arch-rivals.

The Redmen learned two lessons from this game says coach Ron Stackhouse: they can beat any team in the league, and they can't afford to coast when they have a lead.

The Redmen came out strong in the first period taking a strong 3-0 lead. Things were looking good, but then they started making mistakes.

The strong Fenelon Falls club was not about to give up easily. They fought back from the three-goal deficit, and at one point in the game, held a 6-5 lead.

"It was a difficult game from a coaching point of view," said Stackhouse. "There were a lot of errors. The team played with good intensity but they missed out on some opportunities."

The Redmen did get

their act back together, though, and managed to outscore their guests. "It was a moral victory, they really took it to them," said Stackhouse. It was a frustrating game to coach, though, because they frittered away a solid lead.

Talent-wise Haliburton is as good or better than any team in the league, Stackhouse believes. But if they want to continue to

win against the strong teams they have to start remembering what they learn in practice.

Wednesday's win puts Haliburton into second place in the league standings, only a half a game behind St. Peter's. The Redmen have a record of eight wins and two losses. St. Peter's has lost one and tied one.

With this latest win under their belts, the

Redmen will be more confident of themselves the next time they meet St. Peter's. Stackhouse has no doubts that the team is capable of winning. Wednesday's game showed that "we can go out and beat these guys."

This afternoon the Redmen travel to Lindsay to take on LCVI. They will then have a break during exams. On February 1 they play at home at 7:30 p.m.

Ackerblade, Boyle pave way to bantam win

The combination of Rob Ackerblade and Philip Boyle blazed the way for the Minden Monarch Bantams in their game against Haliburton January 6. The pair collaborated on at least five goals to lead the Minden squad to a 9-4 win over their hosts.

Minden took a commanding lead early in the game, scoring five goals in the first period, before Haliburton managed to get on the score board. Play was a little closer in the second and third frames, as the teams traded markers up to the final buzzer.

Ackerblade, in addition

to sharing the scoring spotlight with Boyle, scored five goals in total, picking up two assists. Boyle notched two goals and three assists on the evening.

Also scoring for Minden was Jason Scarlett who hit the twine for two goals.

Helping out with assists

for the Minden team were Mike Muli, Darren Sawyer, Oliver Greer, Jay Hughes and Kevin Buchanan, who each assisted on one.

Four players on the

Haliburton team shared the scoring. Notching singles were Jamie Paradie, Mike Hughes, Chris Greenfield and Reid Elstone.

Assists went to Paradie, Greenfield, Chad Bain, Mike Gunning and Scott Clement.

Both teams drew four two minute penalties.

The historic log home will see better days ahead with the help of a \$30,000 grant for its restoration.

Log home to be restored with New Horizon funds

Restoration of the historic log home located next to the Minden County Town Museum can be completed with the help of a \$30,232 federal grant.

The museum committee applied for the New Horizons Grant a few months ago and the approval was announced just this week. The committee has been hard at work restoring the building that is being called the Bowron Homestead. The log home was donated to the committee in the summer and was moved to its present location adjacent to the museum and cultural

centre.

Once the building is restored, historic artifacts will be put on display for public viewing.

A second New Horizons grant of \$5,682 has been awarded to the Minden Seniors Shuffleboard Club. This grant is designed to help the club expand its program.

New Horizons is a federal government program that enables seniors to create projects of their own choosing. It offers grants to groups that undertake activities for the benefit of themselves and the community.

Control pets, Ministry asks owners

The Ministry of Natural Resources, Minden District, would like to stress the importance of dog owners maintaining control of their pets.

Conditions at this time of the year can result in a crust being formed on the snow which restricts deer movements but supports and allows dogs to travel at will.

Domestic dogs which often travel in groups take this opportunity to roam and participate in the thrill of a deer chase which often results in the death of the deer through injury or exhaustion.

Deer are in their best physical condition before they enter winter as a result of unlimited food supplies. During the winter months

the food resource is reduced, resulting in a gradual decline in the animal's condition.

During the winter months, the deer is the most vulnerable to harassment. As well as receiving leg injuries from crusting snow conditions, a prolonged chase results in high energy consumption for deer already under the

stress of winter. This can result in the death of the deer even without being attacked. The females are extremely sensitive to unnecessary exertion and the added stress of pursuit can lead to aborted fawns.

During the critical period for deer, the ministry asks the co-operation of all dog owners in protecting the

deer herds by not allowing their pets to roam unattended. The Game and Fish Act allows a Conservation Officer to destroy any dog found running deer and provides a penalty to a maximum of \$5,000 for the owner of a dog found running at large during the closed season for deer or chasing deer.

The public can also

assist by reporting any dogs observed chasing deer by contacting the Minden District Office.

FREE TRADE AND THE TRAVELLER

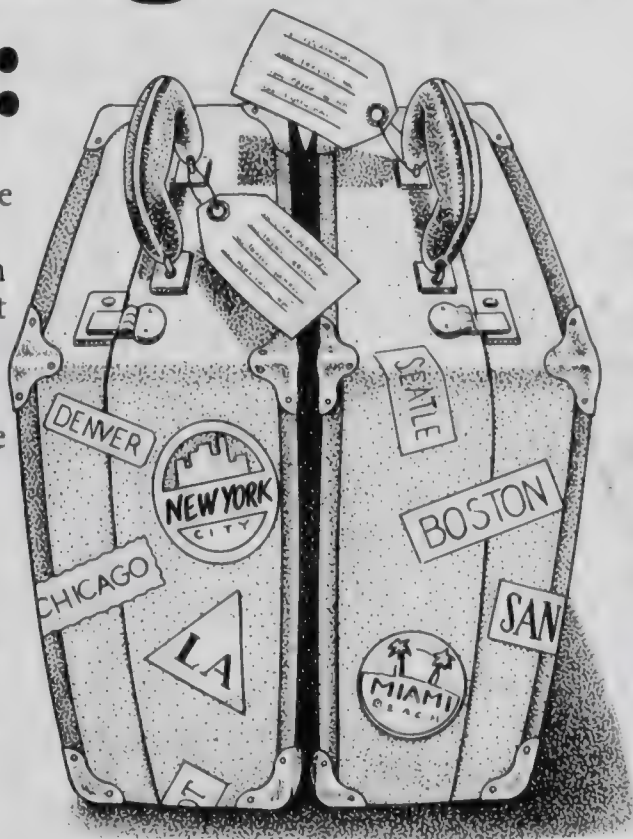

The Free Trade Agreement will gradually eliminate customs duty between Canada and the United States.

Some things change:

- The duty on some Free Trade goods will be eliminated immediately while the duty on other goods will be phased out in stages.

- Only goods which are of U.S. or Canadian origin will be eligible for lower Free Trade Agreement duty rates.

- The goods must have been acquired in the U.S. and must have no mark or label indicating the goods were produced in any country other than the U.S. or Canada.

Some things don't:

- Current personal exemption levels do not change.

- Restrictions on the duty and tax free amounts of alcohol and tobacco remain in effect.

- Free Trade goods exceeding personal exemption levels remain subject to federal sales and excise taxes as applicable.

- Before your next trip, we'll be glad to tell you the duty payable on the goods you intend to bring home. We're here to help, that's something that will never change!

Call your local Canada Customs office or your regional Canada Customs office (416) 973-8350 during regular business hours, evenings and weekends (416) 676-3643 or 1-800-387-0715 or our National Hotline at

Excellent trout fishing

Ice fishing for trout, from January 1 to March 31, is an enjoyable tradition within Minden District. The District has over 150 Trout lakes. The Principle Trout species angled for include Lake Trout, Brook Trout, Rainbow Trout and more recently Splake. Splake, a cross between lake and brook trout are providing good to excellent angling in several lakes. Splake were stocked to provide additional angling opportunities in underproducing lakes and to help remove excess angling pressure from native lake trout fisheries, by providing a high quality alternative sport fish to lake trout. To date, the splake program has met with excellent angler acceptance and appreciation.

The Minden District Fishing Map and Booklet, and the Stocking Lists should be referred to by those anglers who want to check out the fishing opportunities in the Minden District. These publications which are funded by resident sport fishing licence funds, are available free of charge at the Minden District Office.

Winter anglers, please note that the 1989 Resident Sport Fishing Licence is required by all anglers between the ages of 18 and 64 inclusive. As well all ice huts placed on lakes within Minden District, must be registered at the District Office. A registration number can be obtained free of charge by calling or writing the Minden District Office of the Ministry of Natural Resources. Remember, huts must be removed from the lakes by March 31st.

The winter Minden District Fish and Wildlife staff will be conducting intensive surveys of anglers

(creel surveys) on 16 lakes, and spot checks on most of the remaining trout lakes. Please co-operate with the creel surveyor, who will be asking questions about your fishing trip, and taking measurements from your fish. The information gathered is essential for the

management of these sport fisheries.

Voluntary Creel Books are available at the District Office or from the Creel Surveyors. These books allow the angler to keep ones own angling records, and provides the District Fisheries managers with

excellent information over a wide variety of lakes. Your co-operation with this program would certainly be appreciated.

Poachers steal from nature and they steal from you! Please report any illegal activities to the District Office.

The first schedule of play at the Minden Curling Club came to a close last week with all the top teams playing off for the championships in their respective leagues. In the Friday night mixed league it was Frank Franzen's rink that won it all. Curling with him were his wife Pauline, and Ben Manuge. The second curling schedule began last Friday night. There are about 150 curlers participating this season.

BRANCH 636 of the Royal Canadian Legion
now has a Ladies Auxiliary.

At the recent organizational meeting, the requirement of twenty ladies was met and surpassed. The following ladies volunteered to hold office:

President: Shirley Kirk
1st Vice: Georgina Deeks
2nd Vice: Ethel Baker
Secretary: Lisa Foster
Treasurer: Muriel Harrington

The new Auxiliary will hold their initiation and receive their Charter on Wednesday, February 15th at 7:00 p.m. by Ladies Auxiliary Provincial President Maxine Gowdy.

Husbands and family are invited to attend.

The President and Executive of Branch 636 would like to thank the Ladies for their support and wish them well in their new endeavours.

Anyone still interested in joining may do so by contacting Sally Bonner at 286-1973 or 286-4541.

Minden BIA meeting set

An effort to re-activate the Minden Business Improvement Area has been undertaken by the municipality. The business association, representing merchants in the downtown area of the community, has been less than active in the past few years, although a number of annual programs, such as the Christmas decoration contest, has taken place.

Municipal by-law enforcement officer Brad Bradamore has circulated a letter to member merchants asking them to attend a meeting of the organization slated for January 23. The meeting will be held in the municipal council chambers.

The letter from the township official suggests a number of topics which could be up for discussion. Included in the list are: additional parking for the downtown area; improving the walkways; adding benches in the parkette; a notice board for the same area; facade improvements; extending the BIA coverage area to other business sections in the community; among others.

The by-law enforcement officer notes that these subjects are just suggested topics for the meeting. He also points out that the success of the business association is dependent on the participation of the member merchants. He has urged all merchants in the BIA to attend the meeting.

Patient information put on computers

The Minden and Haliburton hospitals will be getting computerized patient information systems with the help of a \$45,000 grant from the Ministry of Health.

The two hospitals will share equally in the grant allocation, Victoria-Haliburton MPP John Eakins announced last week on behalf of Elinor Caplan, Minister of Health.

The information systems will be installed in the emergency departments of the two hospitals and will provide information on patients in a faster and more efficient manner than in the past.

The grant for this part of a \$1.6-million initiative that will see similar systems installed in 38 hospitals across Ontario.

OPP notes

(from page 11)

6 sheets 4 x 8 x 3/8 plywood, 4 rolls tarpaper, 60' aluminum soffits.

Raven Lake - two Obrien wet suits, Dura-beam flashlight, three fishing reels, tackle box with tackle, fish finder, Sanyo tape deck, tapes and case.

Driving tip of the week

It is an offence to

operate a motor vehicle in a manner that anything will obstruct the driver's view of the highway and any intersecting highways. During the winter months snow, frost and fogged windows are a major problem and the cause of motor vehicle accidents.

Motorists are reminded to take the extra time to ensure the windows front, side and rear are clear prior to driving.

MINDEN

PUBLIC NOTICE OF A TIMBER MANAGEMENT PLAN FOR THE MINDEN CROWN MANAGEMENT UNIT

INVITATION TO PARTICIPATE

The Minden District of the Ministry of Natural Resources is about to commence work on a new timber management plan for the Crown lands of the district, shown shaded on the map below. The current management plan will expire in 1990.

Timber management plans are prepared and implemented to ensure a sustainable and continued timber supply from Crown lands in Ontario to local forest industries, in order to provide both employment and forest products. The plan for the Minden Crown unit will govern all forestry activities to be carried out on this area during the period from 1990 to 1995, including logging, reforestation, stand improvement work and the construction of any new main logging roads. The plan will also contain details on calculations of sustainable harvest levels and on modifications to protect other Crown land interests and environmental values.

You are invited to participate in the preparation of this plan by submitting your comments, either verbally or in writing, to the District Manager, Ministry of Natural Resources, Minden, Ontario K0M 2K0. In your submission please identify the area of Crown land in which you have an interest or of which you make use, and any specific issues or concerns which you feel should be addressed in this plan.

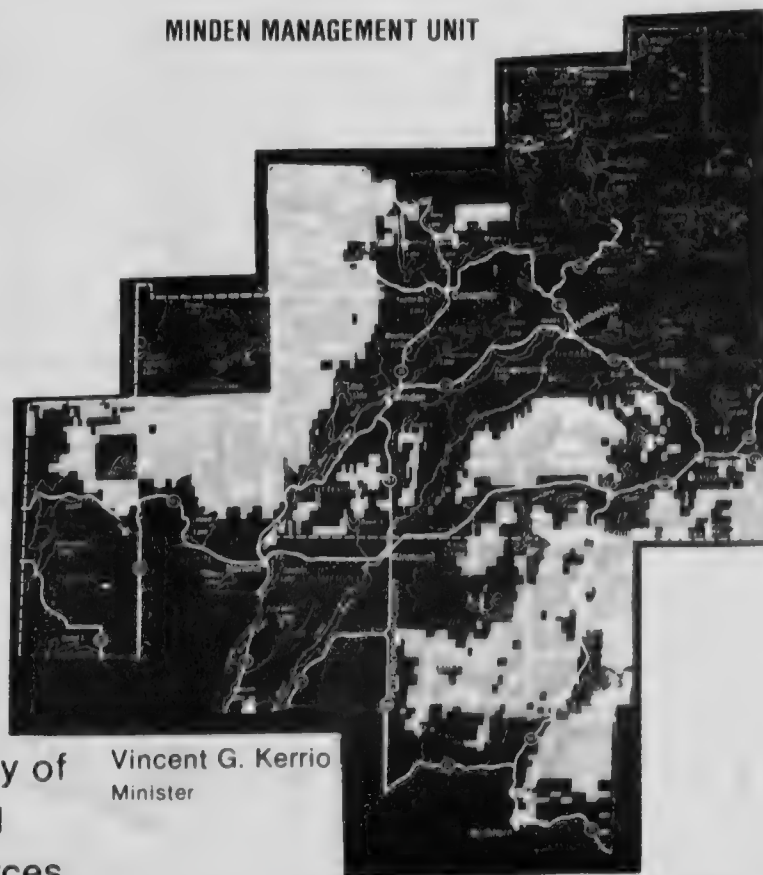

If you are a member of the logging community, please note that the plan will also contain a plan of timber disposition, designating the timber to be cut by Order-in-Council licensees and tendered timber sales. In the case of logger submissions, please state your volume requirements by species and product, and provide some information on your equipment, number of employees, and present supply sources.

All submissions at this stage must be received by Wednesday, February 22, 1989. You will have three other opportunities to comment on the plan as follows:

1. **Information Centre**, June 1, 1989. At this stage all proposed logging sites, main roads, reforestation and other silvicultural works will be presented on maps, along with proposed modifications to protect other interests and values. If operations are proposed on an area on which you have a direct interest, you should ensure that your interest and any concerns are made known at this time. The deadline for comments will be June 30, 1989.
2. **Public Review of the Draft Plan**, December 1 to December 29, 1989. At this stage you may review the completed draft plan, prior to an internal review by MNR, to note how earlier submissions and comments have been considered in the plan. The deadline for comments will be December 29, 1989.
3. **Public Inspection of the Final Plan**, March 1 to March 30, 1990. This will be your final opportunity to inspect the plan prior to its implementation. Persons who have serious objections to the final plan may seek an individual environmental assessment, under the Environmental Assessment Act.

Please Note: The dates shown are subject to change. For further information on this and the other forestry matters, contact the District Manager at Minden.

New resident's council officers chosen

Dear Senior League Readers, it's time for another column. Thursday afternoon the Haliburton Legion Ladies served us a beautiful lunch and led us in a lovely sing song. We appreciated it very much. At 3 o'clock our Residents' Council was held at which new officers were chosen for the next two years. President: W. Barnum; Secretary: Pearl Lyle; Treasurer: Grace Coburn. Welcoming Committee: Mary McKelvey and Lola Prentice.

We had Bible Study conducted by Mrs. Coleman from Carnarvon on Friday afternoon, and Bill Payne and Band entertained us in the evening with very enjoyable music. We thank them very much, especially

Mr. George Smith who travelled here and back from Oshawa just to play for us.

Mr. Marshall Harrison had his son and Gertie McKay's brother and his wife called to see them. Mrs. Stutt has returned from the hospital. Maron Rose is doing very well in the hospital. She had a couple of falls and broke her hip. Daisy Sutherland has been very sick here at the Home. We wish all these sick people a speedy recovery.

Last Thursday I had Eva Howe call to see me, she also called on Ruby Lewis. Darlene McIlwain and Irene Roberts came on Sunday to see me, then I had my sister and her husband - Mary and Roy

senior league

by Winnifred Barnum

Cameron, to have dinner with me here at Hyland Crest. Pearl Lyle has some of her family to see her almost every day, which must make her very happy. Because of the bad weather Sunday night, Mr. Burgess was unable to hold Chapel Service. He has only missed a couple of services since he started as Sunday night Pastor for us. Sunday Alice Todd had a pleasant surprise when Mabel Deacon called on her, and today on her

birthday her brother-in-law took her out to afternoon tea. She also had a phone call from her daughter-in-law in Richmond Hill wishing her a Happy Birthday on January 9th.

Thursday night two Kinsmen came to call Bingo for us. We had an enjoyable evening and Jean Taylor was high winner.

Terri Lynn Fearrey comes every Monday night to show us short films in

the auditorium. She gives her time to entertain us in this way. We appreciate her doing this and thank her very much. This week's films were: "Winter Camp", "The Grampians", and "All About Bears."

On Wednesday, Gladys Kirkpatrick had her son and his wife for a visit. Annie Schultz's son came Sunday and took her home to Kinmount for a day's visit.

Mrs. Marion Leventer and Mrs. Muriel York of Woodbridge and Sunderland visited Verna Jarvis (her two daughters) all on Tuesday afternoon, January 11th.

Earl Cooper and Kathy were here Wednesday

night. They were accompanied by the Scottish Dancers. Everyone enjoyed it immensely. Thank you all.

Linda English has done a great job of doing two jobs while Doris Robertson has had one misfortune after another. We are looking forward to her return, we hope next week.

Just a reminder to all our families and friends buying clothing, please purchase machine washable material and mark on the garment our name and number to help us know our clothing. It is very important our clothing is machine washable and marked with our name and number.

The Corporation of the Township of Snowdon

PUBLIC NOTICE

IN THE MATTER OF the Municipal Act and in the matter of a proposed by-law of the Corporation of the Township of Snowdon to stop up, close and convey that portion of the 66 foot original shore road allowance along the shore of South Lake in front of Part of Lot 5, Concession 14.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Sec. 298 of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Township of Snowdon proposes to consider and if deemed advisable to pass at its regular meeting to be held at the Gelert Community Hall, Gelert, Ontario, on Monday, February 13, 1989 at 7:30 p.m., a by-law to Stop Up, Close and Convey those parcels of land more particularly described as follows:

That part of the 66 foot Original Road Shore Allowance along the shore of South Lake, in front of Part of Lot 5, Concession 14 designated as the first and second parts of Instrument Number 132795 of Preliminary Reference Plan MC-162 in the Township of Snowdon, County of Haliburton, on a plan of survey prepared by C.T. Strongman, O.L.S., dated the 9th of September, 1988.

WHICH SAID PLAN OF SURVEY may be examined at the Municipal Office of the Township of Snowdon in Gelert, Ontario.

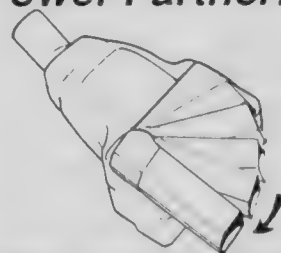

AND FURTHER TAKE NOTICE that before passing the said by-law at its meeting to be held at the time and place above mentioned, the Council of the Township of Snowdon shall then and there hear in person, or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected by the said by-law and who applies to be heard.

DATED at the Township of Snowdon this 6th day of January, 1989.

Ernest A. Hills,
Clerk-Treasurer,
Township of Snowdon.

Canada's best-selling built-in vacuum has just become more comfortable to use!

New, adjustable upgraded Comfort Wand and Beam's incredible Cordless Multi-purpose Power Partner!

TELESCOPIC!

Just twist to change length... twist again to lock! No more struggles to separate jammed wands! Just wonderful for stairs!

Don't lug a vacuum. Plug in A Beam.*

Both for only **\$29.95** (with system purchase)

Never bend or stoop to vacuum again - no matter how short or tall you are! Help avoid backstrain!

It works like magic! A simple twist, and you adjust the wands to your height, your individual comfort level. Never again will you have to bend or stoop with wands that are too long or too short. And never again will you have to fight to separate a stuck wand.

Yet if you act fast, this amazing upgraded comfort wand, PLUS Beam's incredible Multi-purpose Power Partner, that you can use as a hand-held powerhead, or with flip-out crevice tool to concentrate cleaning power - are BOTH YOURS for only \$29.95 with the purchase of any Beam built-in!

3-inlet kits start at only **\$449**

Hurry! After Feb. 9, upgrading and Power Partner will cost a full \$71.23.

Price may vary at participating retailers. But Beam's famous guarantee never changes. Read it yourself! Copies available free from any Beam retailer!

Surrounded by puddles, sheets of ice and melting snow Val Lougheed surveys what was to have been a portion of the Minden Sled Dog Derby trail. This section of the course, adjacent to the fairgrounds, has conditions similar to those found all along the trail. The unsafe racing conditions caused the organizers to cancel this popular Minden event.

HALIBURTON COUNTY BOARD OF EDUCATION TENDER - PLUMBING, HEATING, ELECTRICAL AND CARPENTRY

Sealed Tenders, clearly marked as to contents are invited for the repairs (as required) to plumbing, heating, electrical, air conditioning and carpentry in the Board's Schools for the year 1989 and will be accepted by the undersigned until Monday, January 23, 1989 at 2:00 p.m.

Tender forms, outlining instructions and conditions are available at the Board Office.

The lowest or any tender will not necessarily be accepted.

James E. Bradley,
Business Administrator,
Haliburton County Board of Education,
P.O. Box 507,
Haliburton, Ontario
KOM 1S0

Trail was too dangerous to race

(from page 1)

knew the race had a major economic impact on the area and that many people had made plans to visit Minden for the race," she commented. "We just couldn't, in good conscience, hold this race on conditions that were dangerous."

The question of rescheduling the race for later this winter has been rejected by the committee as well. "The racers follow a circuit that takes them to different locations throughout eastern Canada and the United States," Steve explained. "They have all pretty well committed themselves to the full season of racing. It would be impossible to attract the same calibre of racers, so we felt it would be best to cancel the event

altogether. Despite the disruption, I think the racers will appreciate that we were honest with them."

"This in no way means an end to sled dog racing in Minden," Val Lougheed commented. "The committee has already started planning for the 1990 race. We're sorry we have to abandon all those carefully laid plans, and the efforts of so many volunteers. However, we hope we can

count on everyone next year."

(While most activities associated with the derby have been cancelled, the Minden and District Lions Club intended to carry on with its draw, organized in conjunction with the sale of derby programs. The winner tickets were to be drawn on Sunday with most of the prizes, including the \$100 in cash, still up for grabs.)

The dates for the 1990 Minden Martin Sled Dog Derby January 13 and 14.

Alzheimers meeting

Anyone interested in learning more about Alzheimers' Disease or in sharing their own experience is invited to attend an open meeting of the United Church Women in Carnarvon on February 1.

The meeting, which will feature a 40-minute film called "Love's Labour",

begins at 8 p.m. at the Christian Education Building at Zion United Church in Carnarvon. Everyone is invited and there will be an opportunity to ask questions of Anne Ollikainen, the administrator of Extending care, following the film.

Screech Owls brave the chill

by Marion Strebig
Federation of Ontario
Naturalists

The new year has brought snow and biting cold to Ontario. In such weather signs of wildlife are usually sparse. One night this week, the coldest so far, I was taking a short cut along the height of land above a ravine. The only sound was the creak of the snow under my boots and the distant sounds of traffic. Suddenly out of the night came a melodious quavering call descending the scale and ending in a tremulous whistle.

I stopped and waited. It came again, haunting and mournful, a primal voice to balance the splash of automobile tires on wet pavement. The Screech Owl called several more times and then silence

returned. Even in the bone-numbing cold of January this Screech Owl was staking a claim to his territory. A year-round resident of southern Ontario, the strictly nocturnal Screech Owl is, according to the *Atlas of the Breeding Birds of Ontario* the most common breeding owl in southern Ontario urban centres, yet few people have ever seen one.

The first Screech Owl I ever saw blended so well with the tree on which it was perching that only the patient persistence of my companion in pinpointing its location enabled me finally to separate the owl from the bark with which its mottled plumage blended so perfectly. This small owl further enhanced

(more on page 27)

Amendment protects war veterans

(from page 5)

Veterans Affairs Minister Gerald Merrithew announced on December 23, 1988 that at budget time an amendment to the Old Age Security Act will be introduced to safeguard current levels of Guaranteed Income Supplement and Spouse's Allowance, and War Veterans Allowance benefits for people with employment earnings.

Mr. Merrithew noted that the amendment would protect War Veterans Allowance recipients as well since their benefits use the same definitions of net income as in other programs. The amendment will allow deductions for Canada and Quebec Pension Plan contributions, Unemployment Insurance premiums, and employment expenses (as formerly defined under the Income Tax Act) to

continue to be used in the calculation of net income for the purpose of the Guaranteed Income Supplement, Spouse's Allowance, and War Veterans Allowance benefits.

Guaranteed Income Supplement, Spouse's Allowance, and War Veterans Allowance applicants who will be reporting employment earnings need not do anything now. The Department of National Health and Welfare and the Department of Veterans Affairs will initiate whatever action is needed with individual clients later.

As many as 40,000 Guaranteed Income Supplement and Spouse's Allowance recipients who have employment earnings and 4,500 War Veterans Allowance beneficiaries will be protected by this measure.

ONTARIO GOVERNMENT NOTICE PUBLIC INFORMATION CENTRE for the BANCROFT TIMBER MANAGEMENT PLAN

The Bancroft District of the Ministry of Natural Resources is currently in the process of preparing a twenty-year Timber Management Plan (1990 - 2010) for the Bancroft Crown Management Unit.

The Ministry of Natural Resources will be conducting a Public Information Centre in Bancroft to present the progress made to date on the Timber Management Plan. The Information Centre will be held at the O.M.N.R. District Office in Bancroft on February 15, 1989 from 2:00 p.m. to 4:00 p.m. and 7:00 p.m. to 9:00 p.m., and February 18, 1989 from 2:00 p.m. to 6:00 p.m. All interested parties are invited to attend and review the preliminary proposals and potential alternatives being considered for the Planning area. Members of the planning team will be on hand to respond to any inquiries.

The Public Information Centre will include a presentation of the following:

- the proposed areas of forestry operations for the 5 - 20 year period;
- the more precise locations for secondary roads for the first five years and the most acceptable alternatives;
- the identified areas of concern (eg. tourism and cottage areas, canoe routes, spawning beds, deer yards and wintering areas, etc.); and
- the alternate ways that operations may be carried out in these areas and the preferred or most acceptable way of operating.

Following the Public Information Centre, the public will have a thirty-day period to respond to the Plan proposals. During this period, the information material will be available to the public at the Bancroft District Office.

Any group or individual having concerns regarding the Timber Management Plan proposals are asked to submit their written comments by March 20, 1989 to the following address:

District Manager
Ministry of Natural Resources
P.O. Box 500
Bancroft, Ontario K0L 1C0

Additional information with respect to the Timber Management Plan, the planning process, or the plan proposals can be obtained by contacting Mr. Bruce Fleck, Management Forester, at (613) 332-3940.

Predator birds often judged harshly

(from page 26)

his deception as part of the tree by tilting slightly so that his body looked like a snag.

However, the owl that most people picture when they think about owls is one of our largest owls, the Great Horned Owl. Although the Great Horned Owl is also nocturnal, its large size makes it easier to spot in its roosting trees. Large noisy flocks of Blue Jays or Crows often circle such a roost calling everyone's attention to a much-feared predator.

The Great Horned Owl appears to need less extensive woodlands than other species like the Barred Owl, and consequently has adapted well to agricultural land use. In these areas it has often

been the object of sustained persecution, being shot and pole-trapped by farmers afraid of its depredations on poultry.

Small as their numbers are compared to other species, avian predators (hawks and owls) have traditionally been viewed by humans as competitors for resources, and have been killed without mercy. This attitude to predators still persists. Each winter many owls are shot or pole-trapped at places which offer predators large concentrations of flightless ornamental fowl or where grain is specially provided for waterfowl. You may even find that the small visitors to your own bird feeder will attract a Sharp-shinned Hawk or a Screech Owl. Then you

will have to make a painful decision. Will you judge the predator harshly because it interferes with your enjoyment of the picture you have created? Or will you accept the fact that by providing an artificial food supply you are responsible for attracting the predator who only wants an easy meal at a time of year when the food supply is far from abundant?

The other owl which is often highly visible this time of year is the great white arctic owl, the Snowy Owl, which periodically erupts southward in large numbers, and perches on exposed posts and rocks. This owl, perhaps because as an adult in its native habitat it has little to fear from other

predators, often allows humans to approach closely without moving. This habit, plus its method of hunting, which it shares with many predators, of perching for a long time quite still and then pouncing, have ensured that many of these birds are shot or otherwise molested during the course of the winter.

Owls are natural subjects for the photographer, with their intent, almost comic faces, and spectacular plumage. But even in this regard humans have shown themselves wanting in common sense and in respect for their subject. Recently a barred owl has repeatedly harassed by photographers trying to get it to open its eyes for a photograph.

When it finally killed a squirrel the owl mantled the body with its wings, unwilling to eat with its tormentors only meters away.

Because of their appearance and the fact that they are largely nocturnal creatures moving on silent wings, owls have exercised a fascination for humans which reaches back to ancient times. However, our fascination for these interesting and useful birds should be tempered with respect, and a little imagination. What effect will your behaviour have on the bird, and on its chances of survival this winter?

Since late January and February are the months in which northern owls venture south of their

normal range, and other owls proclaim territory or even nest, they offer visible and comforting proof that life goes on, even in the dead of winter. But as predators they are the underdog wherever they come into contact with humans. Humans regard owls as competitors, or as destroyers of species we consider more useful or ornamental. Maybe a new way of looking at owls would help human beings develop an attitude to the natural world which would prevent its destruction. Refusal to classify creatures according to human definitions as good or bad or as game or non-game might be a first step in a new conservation policy aimed at saving our vanishing wild.

"WHERE THE ACTION IS"

Highlands Senior Games ready to roll

by Norma Hodgson

The deer are off and running again! Where? Deer Lodge, naturally! When? The Senior Winter Games of Haliburton County! This popular game will again be featured

as the over "55" residents gather for a day of fun and friendly competition. The Winter Games were so popular last year, that they will be offered for two days, so that even more people will be able to participate.

On Monday, February 6 and Monday, March 6, Deer Lodge will once again host the Haliburton County Senior Games. The day begins at 9:30 a.m. with muffins and coffee, followed by line dancing. A variety of games will be

set up and participants will be able to join whichever area of activity they choose for the morning. The highlight of the morning is the unique deer races, which are enjoyed by all.

After a full-course roast beef dinner served at noon, the afternoon tournaments begin. Choose your partner for bridge or euchre. Other games are available at this time for those not participating in the above tournaments. The Winter Games are brought to a close with the drawing of the door prizes and the Fun Follies awards with medals and diplomas for winners of the tournaments. These are presented compliments of Deer Lodge Resort.

These Winter Games do not take participants into the frosty, icy outdoors, but are enjoyed beside the cosy warmth of the fire place at Deer Lodge. Beyond its windows lies the serene beauty of a Haliburton winter.

The day is sponsored by the Haliburton Senior Games Committee, who are already preparing for the Summer Games coming in June. The Senior Games for mature adults originated in Alberta, quickly spread to

British Columbia and has grown rapidly in popularity in Ontario. Brampton hosted 1,262 people at the Ontario Senior Games in '88. The next provincial games in 1990 are expected to be even bigger.

The third annual Winter Games of Haliburton County provide the opportunity for friends and

neighbours to get together for social interaction and fun - a great way to spend a winter day.

Watch for registration forms with the Haliburton County Home Support Newsletter or drop in at "The Drop-In Centre". See you at the races!

Gerald Churko's rink proved to be the best in the Thursday night mixed curling at the Minden Curling Club. The league wound up its playoffs last Thursday night with Churko's rink winning it all. Curling with Gerald in the first schedule were Sally Bonner, Jim Churko and John Lindsay.

Gymnastic equipment bought for Kinmount

A Wintario Development Grant has been awarded to the Kinmount Community Centre in Somerville Township, John Eakins, MPP for Victoria - Haliburton has announced today on behalf of Hugh O'Neil, Minister of Tourism and Recreation.

This participation grant

of \$1,000 will be used to purchase gymnastics equipment which will enable the Kinmount - Burnt River Gymnastics Club to introduce a "Gym-Fit" program for children aged five to eleven years.

This funding will encourage more people to participate in both new and old activities.

Haliburton County is Hospitality

The County has:

40 Restaurants
5 Bed & Breakfasts
22 Camps
48 Resorts & Lodges
11 Motels & Hotels
18 Tent & Trailer Parks
36 Cottages & Housekeeping Cabins

If you need work, the openings are great in this industry. February 27 - May 26th a course will be

run through the Bancroft - Haliburton Industrial Training Committee, to teach skills in waiter/waitressing and bar. The course will be run in the Haliburton outskirts, using a mock kitchen, along with practical job site experience. Trainee

candidates are to be individuals who have been experiencing difficulty in finding work on their own and would benefit by training. This will give them an edge to enter the job market. Get ready for next summer's busy time - feel confident with well developed skills.

Apply at the Haliburton Employment Centre - across from the Rails' End Gallery - 457-1316.

CARD OF THANKS

Thanks very much to all in the Minden community and the surrounding areas, from the Canadian Sunday School Mission Christmas Boxes Committee, for your generous contributions of food, money, clothing and toys, which reached 37 homes.

CARD OF THANKS

The family of the late Ruth Harrison want to say thank you to the many people who were so helpful during Mother's illness and her death. A special thank you to Dr. Holliday-Rhodes and nurses and staff of Minden Hospital, and Dr. Minor and nurses and staff of St. Joseph's hospital. The kindness shown my Mother by St. Joseph's nurses will always be remembered and appreciated by the family. Thank you to the Gordon Monk Funeral Home for the kindness and consideration shown us at a most difficult time in our lives. Thank you Rev. Elliott for a lovely sermon. The phone calls during Mom's illness from friends and family were a comfort. Words can't express the appreciation we feel to all those people who sent flowers, made memorial donations and so generously donated food. A special thanks to Alvin and Clara, Murray and Cheryl, and Ted and Ann for the help and moral support you all gave us. Thank you to Gayle for the way you stood by Mother during her illness. You made her last days more happy. Thank you for all the sympathy cards sent from family and friends and for the prayers for Mom. May God bless you all.

Tom, Marilyn & Family

AT REST

SAWYER, Elmer James (Buzz) - at Extensicare in Haliburton on Tuesday, January 10, 1989 in his 91st year; beloved husband of Ruth Woodcock, dear father of Ruth Bain, Mabel Brannigan, Reg Sawyer, Betty Dionne, Walter Sawyer, Audrey Swartman and David Sawyer, fondly remembered by his many grandchildren and great-grandchildren. Dear brother of Ross, Lorne and Gertie Upton. Lovingly remembered by his niece Wanda Reynolds. Elmer was a life member of the Maple Lake United Church and the North Entrance Masonic Lodge No. 463.

Rested at the Gordon A. Monk Funeral Home, Minden. Funeral Service was held in the chapel on Friday, January 13, 1989 at 1:30 p.m. Spring interment at Maple Lake United Church Cemetery. At Elmer's request, memorial donations to the Heart and Stroke Foundation or the CNIB would be appreciated. Masonic funeral service in the chapel on Thursday at 8:00 p.m.

AT REST

DOLLO, Florence - suddenly at the Minden Hospital on Friday January 13, 1989. Beloved wife of the late Joseph Dollo. Dear mother of Joan Hatkoski of Minden, Louise Neimann of Bowmanville, Angela Strauss of Millbrook, Rose Marie Hogg of Bracebridge, and Joe Dollo Jr. of Carnarvon. Fondly remembered by her daughter-in-law Vicki and son-in-laws. Loving grandmother of nine grandchildren, and one great-grandson. Dear sister of Beatrice Bova, Josephine, Simone, Ann Romano, Mary Watson and predeceased by Jennie Pepetone.

Rested at the Gordon A. Monk Funeral Home, Minden, from 7-9 p.m. Saturday, 2-4 and 7-9 p.m. Sunday, thence to Our Lady of Fatima Church for Mass of Christian Burial on Monday January 16, 1989 at 2 p.m. Spring Interment at Minden Cemetery. Prayers in the Chapel Sunday at 8:30 p.m. Memorial donations to the Minden Hospital would be appreciated by the Family.

IN MEMORIAM

MINTO, Helen - In loving memory of a dear mother and grandmother who passed away January 13, 1985.

Gone are the days we used to share. But in our hearts you are always there. The gates of memory will never close. We miss you more than anyone knows.

Sadly missed by Ian, Mary, Jennifer and James.

AT REST

PRITCHARD, Christopher Allan (Chris) - with deep sorrow the family of Chris Pritchard announce his sudden passing on January 11, 1989 in his 34th year, dear son of Doug and the late Yvonne Pritchard of Minden, dear brother of Stephanie Wells of Minden, Louise MacGregor of Whitby and Timothy Pritchard of Oshawa, fondly remembered by his nieces and nephews, his grandmother Mrs. Madeline Austin of Haliburton and his aunts Dorelle Baker, Marjorie Loughheed and Lena House.

A memorial service will be held at the Gordon A. Monk Funeral Home, Minden on Monday, January 16 at 10:30 a.m. Memorial donations to the Minden Hospital would be appreciated.

IN MEMORIAM

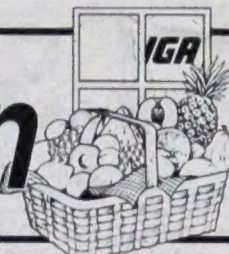

HEWITT: In loving memory of a dear son and brother, Sterling, who left us January 19th, 1974.

You left us suddenly Without a word But fifteen years has passed Your memory is so strong God has you in his keeping We'll always have you in our hearts.

Lovingly remembered by Mom, Brother, Sisters & Families.
